We are thrilled that at long last we will be opening our lovely gardens
for the return of this popular and very
Special Fundraising event.

Headlined by an inspirational trail of cottage and Manor Gardens full
of hidden delights and surprises, cross the meadows via ancient
cobblestone footpaths to enjoy wonderful short recitals by **'Music for
Awhile'** performed in the historic **Church of All Saints**,
in aid of the Roof Appeal.

The beautiful **Saxon Church of St Mary's** will also be open.

Make a day of it with delicious **teas, cakes and ploughman
lunches**. Relax with your own picnic in a pretty canal side cottage
garden or choose your own topping for a **wood fired pizza oven
experience** under the gaze of our C19 **White Horse**.

**All proceeds will go towards humanitarian aid in Ukraine, costs
of replacing the lead roof (sadly stolen in 2015) of All Saints
Church, maintenance of the Neolithic springs, as well as the
Coronation Hall which supports community activities.**

Interesting stands along the garden trail including **Plant Stalls** and
preloved **Garden Tools**. Handmade locally produced Ice creams by
Lacock Dairy. **Vintage car rides** between the villages (by donation).

Cost: Adults £5.00, Under 16s accompanied children free
**Well-behaved dogs on leads are welcome at the discretion of the
garden owner, unless noted otherwise in the event passport.**

How to get your garden event passports:-

Buy passports on the day from the
Coronation Hall, Alton Barnes. Free Parking.
